

**Military Surface Deployment and Distribution Command
Customer/Carrier Advisory
January 03, 2013
CA-12-08/09-0136 Update 1**

Subject: Temporary Receiving Restrictions at Navy Munitions Command (NMC) Unit Charleston, Goose Creek, SC (N00193)

Purpose: To advise DOD shipping activities and Transportation Service Providers (TSPs) of temporary inbound restrictions at NMC Unit Charleston.

Be Advised: Due to Navy vessel operations at NMC Unit Charleston from **14-18 January 2013** inbound shipments should be curtailed. It is imperative DOD shipping activities and TSPs are aware of restrictions during this period.

The Transportation Facilities Guide (TFG) has been updated to reflex revised receiving requirements. DOD shipping activities and TSP must review guidance's in the TFG for installation updates regarding shipping/receiving entry requirements, personnel contact numbers, and other pertinent information. Unscheduled truck arrivals will be escorted aboard station using an alternate route.
