

17 SEP 09

FROM: SDDC-PP SCOTT AFB, IL

TO: PERSONAL PROPERTY TRANSPORTATION SERVICE PROVIDERS (TSPs)

SUBJECT: N4 REQUIREMENTS IN EDI 859 SPECIFICATIONS

There has been some confusion concerning the N4 requirements, depending upon whether the shipment involved CONUS or OCONUS locations. The DPS requirements are dependent upon the applicable tariff and system being used. Attached is a spreadsheet which identifies the mandatory location information for DPS and CWA.

Power Track is in the process of updating the EDI 859 specification to reflect the DPS information per the attached spreadsheet. In the interim, please use this spreadsheet to assist you in updating your EDI content to comply with DPS requirements.

Column1	Column2	Column3	Column4	Column5	Column6	Column7	Column8
	Country Code	State	Zip Code	Rate Area	County	City	Notes
Domestic D16 (CWA Costing)							
CONUS addresses	X	X	X		X	X	
Alaska addresses	X	X	X		X	X	
International I22 (CWA Costing)							
CONUS addresses	X	X	X		X	X	
OCONUS Addresses	X			X		X	
Alaska addresses	X	X	X		X	X	
Hawaii	X	X	X	X		X	
Domestic 400NG							
CONUS addresses	X	X	X				
Alaska addresses	X	X	X				Note: need port name in some field on both addresses
International Tender							
CONUS addresses	X	X	X	X			
OCONUS Addresses	X			X			
Alaska addresses	X	X	X	X			
Hawaii	X	X	X	X			
	***X=validated						
	***Note city, county validation is required under the old tariff(s) because of costing specifics for additional transportation charges
