**TO ALL DEPARTMENT OF DEFENSE (DOD)-APPROVED HOUSEHOLD GOODS
TRANSPORTATION SERVICE PROVIDERS (TSP) AUTHORIZED TO SERVICE
VOLUME MOVEMENTS**

Ladies and Gentlemen:

This Volume Move Solicitation letter announces the following interstate volume movement in accordance with Chapter V of the Military Surface Deployment and Distribution Command (SDDC) Domestic Personal Property Rate Solicitation (D-19). Unless stated otherwise, the provisions of the rate solicitation and reissues thereof, apply through the final delivery and claims settlement of any shipments moving under this volume move. The attachment is the request for volume movement.

The following information is provided:

The alternation clause applies in all volume moves, i.e., the acceptance of a volume move tender does not negate the provision, where two rates (volume move rate and the TSP's current rate) are applicable, the Government is entitled to the lesser of the two rates in all cases. Be advised that when offering shipments, the personal property shipping offices will consolidate shipments whenever practical.

In accordance with Item 502, the rate must be submitted below the low rate on file for the channel(s) specified (200%) and shall be expressed as a percentage of SDDC's D-19. The percentage is to reflect a reduction (or percentage of) line haul, packing, accessorial services, and any other services relevant to shipments of this volume movement, including full replacement protection, but excluding pickup or delivery transportation rates applying on Storage-in-Transit (SIT) shipments at destination, any accessorial services performed in connection with destination SIT, and third party services.

Competitive volume move tenders will be received from qualified DOD-approved TSP's. Volume movement traffic will be awarded to those low rate responsible TSP's whose tenders are responsive, most advantageous to the Government, and have the ability to comply with required delivery and performance schedules associated with this volume move. TSP's in traffic denial during any portion of the volume move will not be considered.

Transportation Service Providers are required to handle a minimum amount of tonnage expressed in pounds per day for each volume move. The minimum amount of tonnage for these volume moves is 30,000 pounds per TSP, per day, per channel. Volume move tenders showing less than this minimum will be rejected.

Please e-mail your bids to sddc.safb.ppratesdom@us.army.mil. Bids received via facsimile or mail will not be accepted. Questions concerning this announcement may be referred to SDDC-PP-PO, (618) 220-5256 or 5454.

Sincerely,

//signed//

Chief, Personal Property Branch
